4. BENEFIT PROVISIONS

What is the disability income benefit?

Disability income benefits are benefits paid to you to partially replace your income if you become Disabled while insured.

When do disability income benefits become payable?

We will pay you a benefit as calculated below, for a Period of Disability, subject to all the terms of the Policy if you:

- send Proof to us that you have become Disabled;
- are insured under the Policy at the time your Disability commences; and
- have completed your Elimination Period shown in the Benefit Highlights.

How is the benefit calculated for a Total Disability?

To determine the benefit we will pay each week you are Totally Disabled we will subtract all Deductible Sources of Income from the lesser of:

- the Benefit Percentage multiplied by your Total Weekly Earnings; or
- the Maximum Benefit.

The result is your Total Disability benefit.

How is the benefit calculated for a Partial Disability?

To determine the benefit we will pay while you are Partially Disabled, add your Deductible Sources of Income and your Disability Earnings to your Gross Benefit for a Total Disability.

If the calculation above is more than 100% of your Total Weekly Earnings, subtract the amount in excess of 100% from your benefit for a Total Disability. The result is your benefit for a Partial Disability.

If the calculation above is 100% or less than your Total Weekly Earnings, your benefit for a Partial Disability is the same as your benefit for a Total Disability.

When is the benefit paid?

The benefit will be paid as follows:

- benefits will be paid weekly following your Elimination Period as specified in the Benefit Highlights; and
- for each day for which a benefit is payable, the amount paid will be equal to 1/7th of the benefit.

What happens if you return to full-time work and become Disabled again?

We will treat this new Disability as part of your prior Disability if you returned to work and were Actively at Work for less than:

- 30 days, if due to the same or related causes; or
- one day, if due to an entirely unrelated cause.

You will not have to complete a new Elimination Period.

Your benefit will be subject to the same terms and conditions as were applicable to the original Disability.

Your benefit will not continue if:

- your coverage under the Policy terminates; or
- you become eligible for coverage under any other group disability income policy.

If your new disability begins later than the time periods specified, you will need to complete a new Elimination Period.

When does your benefit end?

Your benefit will end on the earliest of the date:

- you do not submit to any medical examination or clinical assessment requested by us;
- we determine you are no longer Disabled, even if you choose not to work;
- you reach the end of your Maximum Benefit Duration;
- you do not provide Proof to us that you continue to be Disabled; or
- you do not provide Proof that your earnings loss is a direct result of your Disability.

4. BENEFIT PROVISIONS

In addition to the circumstances shown above, your benefit is subject to termination as otherwise stated under the terms and conditions of the Policy.

How is Other Income applied to your benefit?

The amount of Deductible Sources of Income you receive will be deducted from your Gross Benefit.

Are you required to apply for Other Income benefits?

If you are, or become eligible, for any Deductible Sources of Income, you must apply for that Other Income and make reasonable efforts to reapply for or appeal the denial of any application for that Other Income.

If appropriate, we will assist you in the application and appeals processes.

Is Other Income estimated?

We have the right to estimate the amount of any Deductible Sources of Income you are eligible to receive and to reduce your benefit by the estimated amount.

Until approval or denial is made, we will estimate the amount you would receive for any Deductible Sources of Income. That estimate will be considered your Deductible Sources of Income amount. When approval or denial is made, the benefits paid or payable will be adjusted as necessary. We will not estimate if:

- you have applied for the Other Income benefits; and
- you agree to appeal any denials of any Deductible Sources of Income benefits to all administrative levels we deem necessary; and
- you complete and sign the Sun Life Reimbursement Agreement.

What happens when the Other Income benefits have been awarded or have been denied?

You must notify us in Writing within 31 days of receiving notice of approval, denial or an adjustment in the amount of Deductible Sources of Income (other than for cost of living increases). If necessary we will make an adjustment to your benefit. If you have been underpaid, we will immediately make a lump sum payment to you of the amount that has been underpaid. If you have been overpaid, you must reimburse us the amount of the overpayment within 31 days of the award. We have the right to reduce or eliminate your future benefit payments until you have repaid the amount of the overpayment.

What happens if you receive increases in your Other Income benefits?

After the first deduction for each of your Deductible Sources of Income benefits, we will not reduce your benefit payments due to cost of living increases you receive from any sources described as Deductible Sources of Income. This does not apply to any increase in earnings you receive from employment.

5. EXCLUSIONS AND LIMITATIONS

What are the exclusions?

No benefit is payable to you under the Policy for any Period of Disability or other loss for which benefits are payable that is caused by, contributed to in any way or resulting from:

6. CLAIMS

Subject to Proof of claim, all accrued indemnities for loss of time will be paid not less frequently than monthly during the continuance of the period for which we are liable, and any balance remaining unpaid at the termination of the period will be paid as soon as reasonably possible after receipt of Proof of claim.

When will a decision on your claim be made?

We will send you a Written notice of decision on your claim within a reasonable time after we receive the claim but not later than 45 days after receipt of the claim. If we cannot make a decision within 45 days after receiving your claim, we will request a 30 day extension as permitted by U.S. Department of Labor regulations. If we cannot render a decision within the extension period, we will request an additional 30 day extension. Any request for extension will specifically explain:

Can you request a review of a claim denial?

If all or part of your claim is denied, you may request in Writing a review of the denial within 180 days after receiving notice of denial.

You may submit Written comments, documents, records or other information relating to your claim for benefits, and may request free of charge copies of all documents, records, and other information relevant to your claim for benefits.

We will review the claim on receipt of the Written request for review, and will notify you of our decision within a reasonable time but not later than 45 days after the request has been received. If an extension of time is required to process the claim, we will notify you in Writing of the special circumstances requiring the extension and the date by which we expect to make a determination on review. The extension cannot exceed a period of 45 days from the end of the initial period.

If a period of time is extended because you failed to provide information necessary to decide your claim, the period for making the decision on review is tolled from the date we send notice of the extension to you until the date on which you respond to the request for additional information. You will have at least 45 days to provide the specified information.
